# PAST THINGS

Just in case you forgot or thought we forgot, there is no May issue of the *Mountain Man Monthly*. Both your Editor and Publisher are so busy with the annual shoot that there just isn't time enough to get an issue created, printed, and mailed in time. The news you have here is a little old and some new.

June's meeting was a good one. We had several folks present who had good reports on the annual shoot. We did make a small amount of profit but the best thing is that we still had the largest shoot in the state! Thank you to all the folks who helped and supported us at this year's event.

Joy presented special medallions to those folks who headed up the committees and worked so hard to make this 37<sup>th</sup> annual shoot the success that it was.

## Colorado Springs Muzzle Loaders, Inc. Regular Monthly Meeting May 3, 2012

The Colorado Springs Muzzle Loaders, Inc. membership meeting was held on May 3, 2012. The meeting was called to order by President Joy Hicks. The meeting was a short one.....not too many in attendance. Hopefully they were out and about getting ready for the "BIG SHOOT"! Fred brought his wife Denise and she was welcomed by all.

Joy entertained a motion to accept the Secretary's report as printed in the *Mountain Man Monthly*. Motion made from the floor and seconded. Motion carried.

Gwen Blanchard gave a detailed report for the Treasury. Expenditures are even at this time. A motion to accept the treasury report as read was made and seconded. Motion carried.

**Membership Report:** Ted reported the club has 50 renewals, 13 new members, and a total of 63 members. Looking forward to gaining more new members and renewals at the Memorial Day shoot.

**Primitive Report:** Doug thanked all who helped out with the Shoot-A-Ree and especially JOHN GLOYD who was in attendance at the shoot. (Way to go John!)

**Memorial Day Shoot Report:** There will be a work party at the LaChance home on May 5<sup>th</sup>. Come prepared to get lots of things accomplished (targets, medallions, tents repaired, etc.).

Ted will be doing the frying pan toss again this year. It was a big success last year so be prepared to participate. Word has it that the girls are practicing

quite a bit!

The primitive line will have about 19 gongs; 2 shots and a tie breaker.

There will be a separate drawing for the rocking horse and all other prizes will be in one can. The second drawing will also include a rifle and a quilt.

The Grand Aggregate events will need to have at least 4 participants signed up. Upon completion, the winner will meet with Jane Lewis and choose a beautiful stained glass award. Thanks again to Jane for all her hard work.

Ken West noted that he has a prize to donate for the Grand Aggregate if only one person enters.

If you can, bring your own table and chairs if you need some. The club does not have enough for everyone to use.

**Old Business:** Doug reminded all that the Women on Target class is on Sunday at Cactus Flats.

Squirrel Shoot: Dee won most average (139x) and ladies' first place. Doug won 3<sup>rd</sup> place flint and Tom Gabor took 2<sup>nd</sup> in squirrel and 3<sup>rd</sup> in teddy bear. Check your *Poke and Stroke* for all the details.

**New Business:** Boy Scout Day Camp at Big R. Unfortunately Liz and Mark will not be there but keep them in your prayers. Our team will handle the things needed.

Also keep Sandra Gabor in your prayers. She's going to need knee replacement surgery in July or August. As always, keep all those in need of prayer in your thoughts.

Upcoming events were announced.

Respectfully submitted,

Barb Johnson, Temporary Sub

## CUB SCOUT PIONEER DAY CAMP

The annual High Plains District Cub Scout Pioneer Days day camp was held on Saturday, May 19<sup>th</sup>. In true Colorado fashion, the weather was disagreeable: wind, cold, drizzle and a little more wind. However, the boys had a great time as usual.

We provided a station for teaching the art of hawk throwing; always a hit with the boys. Thanks to the generosity of the Boy Scout Shoot-a-Ree, we have four new hawk stands and blocks which did not need

repair.

We also provided a station for flint and steel fire starting. The wind was such that the boys were only allowed to make sparks with the flint and steel, but each group got to watch some of our great fire starters (Blake, Ted, and Steve) at work. Only a few Band Aids were needed. Dee gets the prize for the most blood shed.

In attendance were John Gloyd, Steve Sterner, Don Stoner (who headed it up), Ted and Delores Beaupre, Todd and Blake Schainost, Tom Scott, Tim Blanchard and his stepson Mike Devine, and Gwen and Michelle Blanchard. Joanne Scott made a mid-morning appearance with fresh hot coffee to everyone's delight.

For those who could not attend this year, why not plan on it for next year? There is something truly thrilling that is unparalleled when you see the face of an eight-year-old who makes a spark or sticks a hawk.

## Thank You For A Successful Mountain Mama Activity

This year the Mountain Mama activity was a great success. I would like to thank all the contestants from this year's event: Gwen Blanchard and Michelle Blanchard and our Junior Mountain Mama contestants Aubree Miller and Lea Spears. Your participation made the event enjoyable and fun for all the observers and audience.

I would like to thank the following individuals who made the Mountain Mama Run

a success this year:

Steve Sterner whose creative mind dreams up entertaining Mountain Mama themes and events. He also sets up the event and gathers the materials needed.

Marlin Johnson who is always willing to help. For supervising the trap set up

and instructing the contestants on setting and releasing the traps.

Blake Schainost for creating the beautiful metal emblems for the first place winners of the Junior Mountain Mama and Mountain Mama. The emblems were creative and matched the theme for the event.

Tom Gabor for helping set up the event and Tom Scott for helping take down he event. I couldn't have done this activity without all of you!

In conclusion I would like to reiterate again how much fun contestants have doing this activity. It is a learning activity that requires an interest and enthusiasm not anxiety on the part of the contestants. I look forward to those who will partake of the Mountain Mama next year.

Sincerely,  
Judy "Buttershots" Sterner

# 4<sup>th</sup> of JULY PARADE

Don Stoner will be heading up this parade on July 4<sup>th</sup> in Monument. You can contact Don (719) 591-0724 for more information.

Be sure to make up about 50 or so parade loads to shoot off during the march. (Remember it is aluminum foil and black powder only.) Remove all the balls and patching material from your shooting bag so you don't get confused.

Need to line up by 9:30 a.m. so we can be ready to follow the kid's parade. Even if you don't shoot, we will need banner carrying people to help us advertise our group.

Safety is the key. Be sure no flintlocks and when you let the youngsters pull the trigger, be sure to cup the flash area or hold it high enough to keep the sparks from hitting the shooter. We must be safe and at the same time, wake up the town of Monument to the fun of black powder.

#####

# PRIMITIVE GRAINGER

## CAMP-OUT

The Grainger primitive camp-out is scheduled for July 14-15. Camping can begin at noon on Friday. Be sure to leave the gates as you find them. Also, plan on no open fires during this time. The area is just so dry that we don't want to have any issues. Bring your garden sprayer filled with water for an extinguisher so if we need them, we will have them.

We will have the usual chili cook-off and potluck on Saturday night about 6-ish. There will also be a time for the naming ceremonies if anyone needs to get or change their camp names.

We are fairly positive that Doug and his crew will plan on the usual targets and the all important tie-breaker. Bring plenty of ammunition and powder so that you can participate to the fullest.

The group usually combines everything for a potluck breakfast on Sunday morning. This is a great way to start the day and wake up at the same time.

Pets are welcome at the club camp-outs.

**At 40**, served in Congress for two years.

**At 41**, was the American Minister to France and negotiated commercial treaties with European nations along with Ben Franklin and John Adams.

**At 46**, served as the first Secretary of State under George Washington.

**At 53**, served as Vice President and was elected President of the American Philosophical Society.

**At 55**, drafted the Kentucky Resolutions and became the active head of the Republican Party.

**At 57**, was elected the third President of the United States.

**At 60**, obtained the Louisiana Purchase, doubling the nation's size.

**At 61**, was elected to a second term as President.

**At 65**, retired to Monticello.

**At 80**, helped President Monroe shape the Monroe Doctrine.

**At 81**, almost single-handedly created the University of Virginia and served as its first President.

**At 83**, died on the 50<sup>th</sup> anniversary of the signing of the Declaration of Independence, along with John Adams.

Thomas Jefferson knew because he himself studied the previous failed attempts at government. He understood actual history, the nature of God, his laws and the nature of man. That happens to be way more than what most understand today. Jefferson really knew his stuff. A voice from the past to lead us into the future.

John F. Kennedy held a dinner in the White House for a group of the brightest minds in the nation at that time. He made this statement: "This is perhaps the assembly of the most intelligence ever to gather at one time in the White House with the exception of when Thomas Jefferson dined alone."
